

## JV190001

**Bronze**  
**Push Button Self Closing\***  
**Marine Tank Level Gauge**  
**Top & Bottom Set**  
**BSP Threaded**

The JV190001 set of bronze gauge cocks are generally used for small oil and fuel tanks in the marine industry offering the added safety of a spring loaded self-closing valve on the bottom fitting which prevents leakage in the event of a sight glass breakage.

### Approvals, Features & Benefits
