

## JV370004

**Bronze  
Weighted Lever  
Self Closing  
Sounding Cock  
Threaded BSP**

The JV370004 sounding valve is a self-closing valve for manual sounding of tanks.

The cock is fitted with a test valve to release any pressure in the tank before sounding and is supplied with a cap to prevent leakage.

### Features & Benefits

- Specifications to DIN 86120
- Suitable for water & fuel oil
- Counter weight
- Cap & chain
- Test plug

### Pressure & Temperature

Maximum pressure:-  
2.5 bar

Temperature range:-  
-10°C to 120°C
